These arrangements will not result in a reduction in the school day of such students:

Arrangements regarding students not attending religious instruction, where the school offers Religious Education as distinct from Religious Instruction.

Killinarden Community School offers *religious education* in all year groups as it promotes the holistic development of students and can contribute positively to their wellbeing in line with the principles of the Junior Cycle and Senior Cycle Frameworks and in the spirit of the Deed of Trust. It facilitates the intellectual, social, emotional, spiritual values and moral development of students and encourages respect for all members of our school communities. In addition, *religious education* supports the 'multi-denominational' aspect of our school's ethos as it provides opportunities for students to engage with questions around their own religious or non-religious beliefs and those of their peers.

In this context it is important to understand the distinction between '*religious education*' and '*religious instruction*':

- *Religious education* is open to all pupils regardless of their commitment to any particular religion or worldview. It seeks to contribute to the spiritual and moral development of all students equally.
- *Religious instruction* is instruction in accordance with the rites, practices and teachings of a particular religion or denomination for pupils of that religious tradition.

Given that Religious Education, as distinct from Religious Instruction, is timetabled across our school at all levels the legal requirement to advise of the option to opt-out of religious instruction does not arise.

Section B:

Appendix A

Admission Policy to The ASD Class

This policy must be read in conjunction with and is part of the overall Admission Policy for Killinarden Community School. The aim of Killinarden Community School is to offer a positive meaningful educational experience to the student that allows her/him to develop to their full learning potential, in an environment that offers clarity, predictability and calm. After a period of time observing, assessing and inter-acting with the student, an Individual Education Plan will be developed following consultation with Parents/Guardians and with other relevant professional staff (e.g. NEPS Psychologist, Co-ordinator/Teacher(s) of Special Educational Needs/ASD, Occupational Therapist, School Principal/Deputy Principal etc), as deemed appropriate.

The aim of the ASD Class is to offer a specific learning environment with a mainstream post-primary school. This setting facilitates optimum inclusion as part of the school community with access to mainstream educational activities that are available and that are deemed appropriate to the ongoing education of the student.

External Support Services

Essential services are provided by the Health Service Executive (HSE). These services include Speech and Language Therapy, Occupational Therapy or Physiotherapy. The Board of

Management at Killinarden Community School has no function in accessing these services, but merely acts as a relevant conduit for their provision, where available and possible. Furthermore, Killinarden Community School cannot guarantee any additional service or support that may be available to the student through the offices of the HSE. Killinarden Community School does not have the resources to follow up on these services and it is a matter for the Parents alone to ensure that all such possible support services are being accessed and availed of.

Pre enrolment

All applicants must have an assessed primary diagnosis of Autism/Autistic Spectrum Disorder. The assessment must be in line with the established DES criteria of DSM-V and ICD 10. All applications must be accompanied by an assessment, carried out by an Educational/Clinical Psychologist approved by the DES, recommending the applicant as suitable.

A prospective student for the ASD Unit must have a professional recommendation, from a NEPS Psychologist, Clinical Psychologist, Educational Psychologist, Psychiatrist, or from a multi-disciplinary team (Clinical Psychologist, Occupational Therapist, Speech and Language Therapist, Social Worker, and/or Physiotherapist), for placement in an autism specific class in an ASD Unit. All applications in operation on a child should be provided to the school for assessment by the Admissions Team/Board of Management. The withholding of such reports from the Board of Management may invalidate an enrolment application at any time.

Parents should note that under the official DES guidelines, the number of student places available in the ASD Class is 4 students. It should be noted that fulfilling the enrolment criteria does not necessarily guarantee the student a place in the ASD Unit.

The Board of Management require that Parents must accept that the enrolment process only proceeds where the educational and physical needs of the applicants as identified can be met within the ASD Unit.

The Parents of the applicant must accept and agree to the Killinarden Community School Code of Positive Behaviour and the terms of this policy

The ASD Unit at Killinarden Community School will only cater for children that are 12 years or more, and less than 18 years of age, on the 1st of September of the school year in question.

Enrolment

All applications for enrolment in the ASD Class will be considered within the context of the school's Admission Policy. Where the number of applicants exceeds the places available, priority will be given in the following order:

- Current students enrolled in the school
- Siblings of current students in DCS who apply
- applicants resident within the defined school Catchment Area (see General Students Admission Policy) and be attending

- (1) the ASD Units in the feeder schools of Sacred Heart SNS , Chnoc Mhuire,SNS ,Scoil Caitlin Maude, killinarden
- (2) attending the local feeder National Schools , Sacred Heart SNS , Chnoc Mhuire, Scoil Caitlib Maude , Killinarden.
- (3) applicants not attending the above named feeder schools but for whom The ASD Class would be nearest to their home residence.

Parents should note that where the number of applicants at any stage of the criteria numbered above exceeds the number of spaces available within that criterion, then the date of birth of the applicant will be considered with priority being given to the oldest applicant and continuing thus forth until all places are filled. If two or more applicants share the same date of birth, then places will be allocated by lottery.

Application Process

An Enrolment application Form, a copy of which is available from the school, should be fully completed and submitted by the parent on behalf of the applicant. The closing date for receipt of such completed applications by the school is published in the Annual Admission Notice for the relevant year.

This Enrolment Application Form should be accompanied by an original Birth Certificate of the applicant and accompanied by all the up to date and pertinent educational psychological assessments(s) and diagnostic report (s). The Enrolment Application form must also be accompanied by School Reports and relative documented information from all previous schools that the applicant attended. Proof of address is necessary.

Only applications that meet the criteria for enrolment, subject to available space and maximum student numbers, will be considered.

Students that are currently enrolled in an ASD Unit in another post-primary school will not be considered for transfer during the course of the school academic year

Students enrolled in a ASD Unit in another post-primary school will not be considered for transfer at the end of a school academic year unless the family have moved residence into the catchment area of Killinarden Community School.

The advice, support and recommendation of the Special Educational Needs Organiser (SENO) for the area/region, based on the needs of the applicants, will be considered in the decision making process associated with enrolment of applicants in the Rogers Suite.

It is important that Parents/Guardians note that Killinarden Community School may in certain clarified circumstances and following an assessment and investigation, be unable to meet the special educational or physical needs of the applicant on the grounds that

Code of Positive Behaviour

As already indicated above the Parents of the applicant for enrolment must accept and agree to the Killinarden Community School Code of Behaviour/Discipline and the terms of this policy.

Children with special educational needs may display difficult, defiant or oppositional behaviours. All efforts will be made by staff at the school to manage such behaviour using various strategies and through the implementation of the student's Individual Educational Plan. All students including those with special educational needs are subject to the school Code of Behaviour/Discipline and the terms of the Health and Safety Statement adopted by the Board of Management at the school. Where any student's behaviour impacts in a negative way on the other students in the ASD Unit or the students in a mainstream class, to an extent that their constitutional right to an education is being interfered with, as judged by the Board of Management of the school, then the school reserves the right to advise Parents that a more suitable educational setting should be found for their child.

The Board of Management at Killinarden Community School reserves the right of admission and to refuse to enrol a student, within the terms of this policy. Parents/Guardians of applicants who are refused admission to Killinarden Community School will be advised of their right to appeal the matter to the Secretary General, DES under Section 29 of the Education Act 1998.
